DESCRIPTION:

Our premium SVGA Monitor Cables with 3.5mm Audio are the ideal high performance solution for quickly connecting your PC to a video display with speakers. Use this cable with projectors, flat-screen monitors, KVM switches with audio, speakers or a microphone. Designed to support resolutions up to 1600x1200. This cable is shielded to extend your video and audio signals without distortion or loss.

FEATURES:

- Constructed of premium double-shielded video cable
- Thumbscrews for easy connecting
- Three internal coax cables for red, green and blue
- Ideal for video presentations, projector applications, and classrooms.
- Combined cable runs to 100’ without a booster.
- Distance from the HD15M connector to the 3.5mm stereo plug is about 12 inches.

SPECIFICATIONS:

- Cable Length: 6 ft to 50 ft.
- Cable Type: SVGA w/ Audio
- Port Connectors: 2 x HDB15 Male & 2 x 3.5mm Male Audio
- External Color: Black
- Limited Warranty: Lifetime
